Dear Mr. Yard:

That sounds good - and I am glad to be reminded that you are still alert to good things. I sent you a copy of the Spanish Songs of Old California by the next mail - and took the liberty, in memory of past courtesies, to autograph it.

You will be glad to know that this First Book is already well up in the fourth thousand and that Farwell and I are working on the fourteen songs for the Second Book.

I am glad you are so well placed in such an important work; and wish you and it all possible success.

Sincerely yours

CFL'H
